For customized request please contact us

Please note that products' sizes refer to the block stone from which every creation is hand-crafted and minimum variations in the final result are inherent characteristics of artisanal work.

All lamps are ready to use including wire and light bulb.

All prices are VAT included - shipping cost excluded

All wood decorations are created in collaboration with Kaleidos Cooperative

A handcrafted wooden box is included in the price for lamps measuring 37cm and 50 cm.

Smaller products (20 or 27 cm) are shipped in cardboard packaging while bigger ones such as lamps or sculptures of 100 cm and more will be packed in cardboard and shipped on customized wooden pallets.
